**APPLE PUMPKIN FESTIVAL**

August 2009

Dear Friend:

As the time draws near for our Apple Pumpkin Festival on September 26, 2009 (*rain date October 17<sup>th</sup>*), the Jay- Livermore-Livermore Falls Chamber of Commerce is asking area merchants and the business community to help underwrite the costs of the event.

Last years' festival drew to this area over 3,000 people, who also patronized and became aware of area merchants. Your supporting contribution will be seen by thousands of people, and can include your name on the Chamber Website, print advertising, signage, posters and banners. Your contribution is tax deductible.

Please join Group Adams Propane Services and me in enabling this year's festival to be the best yet!

Thank you,  
Bruce Adams
