Dear Friend:

As the time draws near for our Apple Pumpkin Festival on September 25, 2021, the Jay-Livermore-Livermore Falls Chamber of Commerce is asking the business community to help underwrite the costs of the event.

In the past, our festival drew to this area over 2,500 people, who also patronized and became aware of area merchants. With your supporting contribution, you will be included in the event promotions seen by thousands of people, which can include your name on the Chamber Website, company logo, print advertising, signage, posters and banners. We encourage you to email your logo to: [jllf@jay-livermore-lf.org](mailto:jllf@jay-livermore-lf.org) Your contribution is *tax deductible*.

Please join the JLLF Chamber of Commerce in making the 2021 Apple-Pumpkin Festival the best yet!

Thank you,
