

2017 Membership Application Packet

To our long standing, brand new, and future Chamber members!

We are having a great year! We started the year with our Hawaiian themed January annual meeting. If you missed it, you missed seeing me in a grass skirt! On second thought, don't let that stop you next January; I promise to be fully presentable. Probably. Our efforts continued this year with History Night in May, the Scholarship Golf Tournament in June, helping with the fireworks in July, and of course the Apple Pumpkin Festival in September. The Apple Pumpkin Festival was a wicked success this year. We brought in more vendors, more games, more food, more music, and more people. Spenders from outside our region got to see what we are all about here in Jay, Livermore, and Livermore Falls. That's part of this Chamber's mission!

Our breakfast meetings are now on the first Thursday of every month at La Fleurs Restaurant in Jay, from 7am to 9am. We have been concentrating on finding speakers that provide information of interest to our member businesses. We seek speakers that will help small businesses start up, stay out of trouble, and flourish. That is also this Chamber's mission!

Soon we will be taking nominations for our annual awards: Employee of the Year, Business of the Year, and Member of the Year. Last year's winners were Sam Byam with the Ted Berry Company; the Ted Berry Company itself, and Alison Hagerstrom with the GFDC. Look for those nominations forms soon for this year's awards. We work hard for our successes in our region, and we need to celebrate them! That is also this Chamber's mission!

So, is this all Mission Impossible? No! Successful businesses are owned and staffed by optimists! Our region can grow, be more prosperous, and improve. Staying level is stagnation, and stagnation is not winning! We want to WIN! And that is our mission.

Do you want to be part of this mission? Do you want to be part of our effort to dramatically improve our region's outlook? Become a JLLF Chamber of Commerce member. Our fees are low. Our advertising efforts on your behalf are alone valued more than dues. Our benefits are many. There is little lose and much to gain.
